Corsair - 120 months warranty - RRP GBP 116.99 inc VAT

Corsair's popular 32 GB DDR5-6000 CL30 kit with XMP 3.0 and a compact black heat spreader.

Vengeance DDR5 is one of the most requested memory lines in the trade. This 6000 MT/s CL30 kit is validated on AM5 and LGA1851 platforms. Its 34 mm heat spreader clears most air coolers, and the on-module voltage regulation keeps power delivery stable. Covered by Corsair's limited lifetime warranty.
