

# ASUS TUF Gaming GeForce RTX 5080 16GB OC Graphics Card

ASUS - 36 months warranty - RRP GBP 1249.99 inc VAT

High-end RTX 5080 with 16 GB GDDR7, a 348 mm triple-fan TUF cooler and dual BIOS; plan for an 850 W supply.

ASUS's TUF RTX 5080 is built for 4K gaming and creative rendering, with a vapour-chamber cooler and a dual BIOS switch that lets a customer trade clock speed for lower noise. The card is 348 mm long and occupies three slots, so check case clearance before quoting. It draws 360 W through one 16-pin connector. Two HDMI 2.1b ports make it a practical choice for multi-display studios as well as gaming rigs.

## Specification

|                     |                                   |
