

Crucial T705 2TB M.2 NVMe PCIe 5.0 SSD

Crucial - 60 months warranty - RRP GBP 239.99 inc VAT

PCIe 5.0 T705 at 14,500 MB/s reads for AM5 and Z890 builds; 2 TB, 1,200 TBW, runs under the board heatsink.

Crucial's T705 was among the first drives to reach 14 GB/s, and it remains a strong Gen5 option for creators moving large media files. This version ships without a heatsink, so pair it with a motherboard M.2 cover or a third-party cooler to avoid throttling.

Specification

Interface	NVMe PCIe 5.0
Form factor	M.2 2280
Capacity (GB)	2000
Read (MB/s)	14500
Write (MB/s)	12700
Endurance (TBW)	1200
