

iiyama ProLite XUB2792QSU-B6 27 inch IPS WQHD 100Hz Height-Adjustable Monitor

iiyama - 36 months warranty - RRP GBP 179.99 inc VAT

27 inch IPS at 2560 x 1440 with a 150 mm height stand and USB hub; the 1440p office screen our resellers reorder most.

Moving from 1080p to 1440p at 27 inches gives roughly 78 percent more pixels, enough to run two documents side by side at a comfortable size. The XUB2792QSU-B6 does it on a panel with 100 Hz refresh and a 0.4 ms MPRT figure. HDMI, DisplayPort and a two-port USB hub are provided. The stand lifts 150 mm and pivots to portrait for code review or long contracts. Every unit leaves Castleford with the three-year iiyama on-site swap cover registered against the serial.
