

Target Office Pro i5-14400 16GB 512GB Windows 11 Pro

Target - 36 months warranty - RRP GBP 609.99 inc VAT

Our best-selling business PC: Core i5-14400, 16 GB DDR5 and a 512 GB NVMe drive in a tool-less tower, three years return to base.

The Office Pro is the configuration most of our reseller partners quote for general business use. Ten cores give headroom for large spreadsheets, Teams calls and several browser profiles at once. We fit branded components only: a B760 board, a Crucial or Kingston memory kit and a 500 W 80 PLUS Bronze supply. Front USB-C and dual display outputs are standard. Custom configurations with more memory, Wi-Fi or extra storage are built to order within three working days.
