

Ugreen NASync DXP4800 Plus 4-Bay NAS, Intel Pentium Gold 8505, 8 GB, 10GbE

Ugreen - 24 months warranty - RRP GBP 619.99 inc VAT

Four-bay NAS with a Pentium Gold 8505, 10 GbE plus 2.5 GbE ports and two M.2 slots, well below rivals on price per port.

The DXP4800 Plus has made Ugreen a serious name in the NAS aisle by offering 10 GbE at a mainstream price. Its Pentium Gold 8505 is noticeably quicker than the Celeron chips in comparable units. Memory expands to 64 GB, and two M.2 slots add SSD storage or cache. UGOS Pro covers file sync, photo backup and Docker, and the hardware also accepts third-party NAS operating systems.

Specification

Drive bays	4
Processor	Intel Pentium Gold 8505
Memory (GB)	8
LAN ports	1x 10GbE, 1x 2.5GbE
