

Logitech MX Master 3S Wireless Performance Mouse, Quiet Clicks, Graphite

Logitech - 24 months warranty - RRP GBP 94.99 inc VAT

Ergonomic wireless mouse with an 8,000 DPI sensor, quiet clicks and the MagSpeed scroll wheel; pairs with MX Keys S.

The MX Master 3S is the mouse most power users ask for by name. Its sculpted shape supports the hand, and the MagSpeed wheel spins through long spreadsheets in a flick. The 8,000 DPI sensor tracks on glass, and the clicks are markedly quieter than the previous model. It charges over USB-C, with a minute giving roughly three hours of use.

Specification
